Section 1: Safeguarding Policy

1.1 Policy Statement

United Church Schools Trust and United Learning Trust, referred to throughout this policy as United Learning, is fully committed to ensuring that the application of this policy is non-discriminatory in line with the UK Equality Act (2010). Further details are available in the school's Equal Opportunities policy.

Wilberforce Primary School recognises that safeguarding encompasses the duties of child protection and promoting the rights and welfare of children. As such, it is:

- Everyone's responsibility to safeguard children
- Everyone who comes into contact with children and families has a role to play; and
- Everyone working with children maintains an attitude of 'it could happen here'.

This policy applies to all members of our school community. This includes all staff, governors and volunteers working in the school, and those in EYFS settings, as applicable.

It also applies to contractors and visitors during any interactions they may have with children, United Learning central office staff and to Trustees, working in or on behalf of the school.

Wilberforce Primary School Safeguarding Children Policy and Child Protection Policy and Procedures (hereafter referred to as 'the Policy') has been drawn up on the basis of law and guidance that seeks to protect children, namely:

- The Children Act, 1989
- United Convention of the Rights of the Child, 1991
- Data Protection Act, 1998
- Sexual Offences Act, 2003

- Children Act, 2004
- Protection of Freedoms Act, 2012; and
- Relevant government guidance on safeguarding children, as follows:
 - [Keeping Children Safe in Education – Statutory guidance for schools and colleges, September 2016](#)
 - [Working Together to Safeguard Children, March 2015 \(Statutory guidance\)](#)
 - [Prevent Duty, July 2015](#)
 - [‘What to do if you are worried a child is being abused’ – Advice for Practitioners, March 2015](#)

In line with our Provision of Information Policy, this policy conforms to locally agreed inter-agency procedures and is available to all interested parties on our website and on request from the main school office. It should be read in conjunction with other relevant policies and procedures. (See Section 3).

The welfare of children is paramount:

- All children, regardless of age, disability, gender, racial heritage, religious belief, sexual orientation or identity have the right to equal protection from all types of harm or abuse.
- Some children are additionally vulnerable because of the impact of previous experiences, their level of dependency, communication needs or other issues.
- Working in partnership with children/young people, their parents/carers/guardians and other agencies is essential in promoting children/young people’s welfare.

Wilberforce Primary School strives to keep children/young people safe by valuing them, listening to and respecting them, and through our policies, procedures and practices.

- Adopting child protection practices through procedures and a Staff Behaviour Policy/Code of Conduct for staff and volunteers.
- Developing and implementing an Online Safety (e-safety) Policy and related procedures.
- Providing effective management for staff and volunteers through supervision, support and training.
- Recruiting staff and volunteers safely, ensuring all necessary checks are made.
- Sharing information about child protection and good practice with children, parents/carers, staff and volunteers.
- Sharing concerns with agencies that need to know, and involving parents/carers/guardians and children/young people appropriately.
- Ensuring that safeguarding responsibilities are appropriately addressed in all related policies and procedures.

1.2 Policies that come under the ‘umbrella’ term of Safeguarding

Wilberforce Primary School understands that safeguarding is intrinsic to all that we do and requires a consistent whole school ethos and approach. The tables below demonstrate how safeguarding is at the core of many of our policies and procedures; and that the term ‘safeguarding’ is an overarching one.

1.4 Roles and Responsibilities of Trustees

The United Learning Group Board of Trustees retains statutory responsibility for ensuring that all legal responsibilities in connection with safeguarding, child protection and safer recruitment are discharged. This responsibility is invested in:

- Darran Lee, Primary Director, and United Learning's Designated Senior Person.

Responsibility for all safeguarding and child protection matters, other than safer recruitment, is delegated by United Learning's Designated Senior Person to the Headteacher of Wilberforce Primary School as school's Designated Safeguarding Lead to act on behalf of the United Learning Group Board and ensure that child protection policies and procedures are compliant with local authority guidance and locally agreed inter-agency procedures. Support to United Learning's Designated Senior Person is provided by United Learning's Lead Safeguarding Officer, who will work closely with schools.

Responsibility for safer recruitment is delegated to the Headteacher of Wilberforce Primary School, as Designated Safeguarding Lead supported by the central office HR team and responsibility for ensuring that policies and procedures are complied with at Wilberforce Primary School; who, within her duties, will keep the Lead Safeguarding Officer for United Learning informed of any issues and ongoing investigations which:

- Lead to any referral to the designated officer(s) from the local authority (which could result in, or has resulted in, a strategic case meeting being called)
- Relate to a member of staff and, without prejudice to the case, the Designated Safeguarding Lead for Wilberforce Primary School judges may result in disciplinary action being taken.

(See Annex A12: Reporting a Safeguarding Concern to United Learning - Template form for use by schools).

These matters will then be raised with United Learning's Designated Senior Person who will report to the Group Board, as necessary.

1.5 Key Principles

This policy and its associated procedures will ensure that Wilberforce Primary School practices safer recruitment in checking the suitability of staff and volunteers to work with children by completing all necessary checks required by the DfE; and storing and maintaining this information on a Single Central Record (SCR). See [United Learning Safeguarding Children – HR Procedural Guidance](#) September 2016

In accordance with [Working Together to Safeguard Children, March 2015](#) (Page 5) Wilberforce Primary School understands that safeguarding is everyone's responsibility and is committed to safeguarding and promoting the welfare of children by:

- Protecting children from maltreatment;
- Preventing impairment of their health and development;

- Ensuring that children grow up in circumstances consistent with the provision of safe and effective care; and
- Taking action to enable all children to have the best outcomes.

In order to do this, we will raise awareness of child protection issues, and equip children with the skills they need to keep themselves safe. We will develop and implement robust procedures for identifying and reporting cases, or suspected cases, of abuse; and will support pupils who have been abused. We will work in accordance with agreed child protection plans and will establish a safe environment in which children can learn and develop.

Wilberforce Primary School will be vigilant in respect of the specific safeguarding issues highlighted in [Keeping Children Safe in Education, September 2016](#) and ensure that the needs of Looked After Children and those with Special Education Needs or disabilities are recognised as being particularly vulnerable.

We will ensure that all staff, governors, volunteers; and contractors adhere to the school's child protection procedures. (See Annex A2: [United Learning Staff Student Relationship Letter](#) and [Guidance, September 2016](#)).

Wilberforce Primary School recognises that it has both statutory and pastoral responsibilities for the well-being of its pupils; and, in keeping with our aims and ethos, the well-being and safety of pupils is of paramount importance, and it is the responsibility of everyone who comes in to contact with pupils to be vigilant and report any incidents of child abuse and other safeguarding concerns.

These responsibilities include having robust safeguarding and child protection procedures in place, to ensure:

- The identification of students at risk of suffering significant harm;
- Raising awareness of all staff through effective communication and training;
- The referral of all disclosures to the appropriate agencies;
- Effective working relationships with the local Police, Local Safeguarding Children Board, Social Care, Health, and other relevant external agencies; and
- The delivery of an effective curriculum which enables pupils to stay safe from harm.

[United Learning Safeguarding Children – HR Procedural Guidance](#) (September 2016) should be read in conjunction with other relevant United Learning HR policies, procedures and guidance and school based policies.

1.6 Monitoring and Evaluation

At Wilberforce Primary School we monitor and evaluate our Safeguarding Children and Child Protection Policies and Procedures document and related policies via the following processes:

- Local Governing Body visits to the school
- Senior Leadership Team 'drop ins' and discussions with staff
- Pupil surveys and questionnaires
- Scrutiny of attendance data
- Scrutiny of a range of risk assessments
- Scrutiny of Local Governing Body minutes
- Logs of Bullying, Racist, and Behavioural Incidents
- Review of parental concerns and parent questionnaires
- Regular vulnerable children meetings between safeguarding leaders, pastoral and SENCO
- Review of specific resources for all vulnerable groups, (Nurture group, Breakfast club and after school clubs)

This analysis will be discussed during regular meetings between the Headteacher, the Chair of Governors and the United Learning Director and Education Advisers; and during Safeguarding Audits completed by the United Learning Lead Safeguarding Officer. Local Governing Body checks on the effectiveness of safeguarding will be reported in termly minutes of meetings.

1.7 Adoption of this Policy

Wilberforce Primary School has adopted the United Learning Group Safeguarding Children and Child Protection Policies and Procedures document and has included details of the local arrangements, to ensure that this document meets the standards required.

Section 2: Safeguarding: A Whole School Approach

2.1 What is Safeguarding?

Safeguarding is everyone's responsibility.

Safeguarding children is the action we take to promote the welfare of children and to protect them from harm.

Everyone who comes into contact with children and families has a role to play.

Safeguarding and promoting the welfare of children is defined for the purposes of this guidance as:

- protecting children from maltreatment;
- preventing impairment of children's health or development;
- ensuring that children grow up in circumstances consistent with the provision of safe and effective care; and
- taking action to enable all children to have the best outcomes.

(Working Together to Safeguard Children March 2015 – Page 5)

2.2 Safeguarding Induction

2.3

Wilberforce Primary School recognises that safeguarding children is the single most important duty that we undertake.

To ensure that everyone working within our school understands their roles and responsibilities and always acts in the best interests of the child, we provide a comprehensive safeguarding induction, which includes child protection, e-safety and Prevent duty information.

This is delivered during the first INSET day of the academic year by face to face training. In addition all staff are required to take online learning modules as agreed in line with the Headteacher.

This is provided to:

- All staff
- all volunteers
- all agency staff (e.g. supply teachers)
- all contractors

For agency staff and contractors, this is in addition to the training that they receive and is verified by their own agency or employer; and is provided to ensure that the safeguarding procedures within our school are followed.

2.4 Safeguarding Induction Programme and Whole School Training

Wilberforce Primary School ensures that everyone receiving safeguarding induction reads and understands Part One and Annex A of [Keeping Children Safe in Education – Statutory Guidance for Schools and Colleges](#), September 2016; and considers the implications of it, in relation to the work undertaken within, and on behalf of the school.

- As appropriate to their role and responsibilities, senior staff and members of the safeguarding team and members of the local governing body will also be required to read the complete guidance.
- All staff and volunteers are required to sign to confirm:
 - Attendance at Safeguarding Induction Training, which includes Child Protection, Online Safety (e-Safety) and the Prevent duty.
 - ‘Keeping Children Safe in Education, September 2016’: Part One
 - ‘Keeping Children Safe in Education, September 2016’: Annex A
 - School’s Safeguarding Children Policy and Child Protection Policy and Procedures document
 - School’s Online Safety (e-Safety) Policy and related policies
 - School’s Prevent documents (e.g. Prevent duty, statement, risk assessment or policy)
 - United Learning Whistleblowing Policy
 - United Learning Annual Staff Student Relationship Letter and Guidance
 - United Learning Annual Acceptable Use of IT agreement
 - Childcare Disqualification Requirements and Disclosure by Association (as appropriate).
 - School’s Behaviour Policy/Code of Conduct
 - School’s Children Missing Education Policy
- A copy of the signed documents will be retained by the school as part of our Safer Recruitment procedures.
- This Safeguarding Induction Programme will be followed up with at least annual safeguarding training.

For What to do if you are worried about a child is being abused, [click here](#)

2.9 What to do when you have a safeguarding concern

- Details of the child protection procedures at Wilberforce Primary School are provided in Section 4.
- These procedures should be followed by all staff, in the knowledge that all concerns, however small they may seem, will be taken seriously.
- In borderline cases informal advice will be sought from local agencies by a member of the safeguarding team.
- If concerns continue, staff should raise these through the appropriate channels.

2.9 What to do if a Child is at Risk of Immediate Harm

If you are seriously concerned about a child's immediate safety, always dial 999.

If, at any point, there is risk of immediate harm to a child a referral should be made to children's social care immediately. Anybody can make a referral. If the child's situation does not appear to be improving the staff member with concerns should press for re-consideration. Concerns should always lead to help for the child at some point.

(Keeping Children Safe in Education).

All referrals to the local social services department should be made within 24 hours (in writing or with written confirmation of a telephone call) of a disclosure or suspicion of abuse.

3.1 Safeguarding Children

Wilberforce Primary School understands that safeguarding children is our single most important responsibility.

- We teach children about safeguarding and how to keep safe.
- Children's wishes and feelings are taken into account when we are determining what action to take and what services to provide.
- We encourage children to express their views and give feedback through School Council, classroom discussions, questionnaires and pupil conferencing.
- We support vulnerable children to do this through structured conversations, mentoring and buddying systems.
- Our governing body and United Learning Trustees ensure that:
 - Training is provided to all staff that clearly explains that staff must not agree confidentiality and must always act in the best interests of the child.
 - Safeguarding arrangements take into account the procedures and practice of the local authority as part of the inter-agency safeguarding procedures set up by the LSCB. This includes understanding and reflecting local protocols for assessment and the LSCB's threshold document along with supplying information as requested by the LSCB.
 - In accordance with the Data Protection Act 1998 Wilberforce Primary School processes personal information fairly and lawfully; it recognises that this is not a barrier to sharing information where the failure to do so would result in a child being placed at risk of harm. We understand that fears about sharing information cannot be allowed to stand in the way of the need to promote the welfare and protect the safety of children.
- We ensure that all visitors to the school receive safeguarding information

3.2 Safeguarding Information for Pupils

At Wilberforce Primary School we believe that:

All children have the right to be listened to, the right to be heard.

All children have the right to feel safe, to be safe and to be protected from harm.

Wilberforce Primary School promotes its belief that as children, our pupils have the right to achieve their full potential regardless of their ethnicity, religion, gender, orientation, ability, or disability.

We strive to ensure our pupils have the ability to:

- Be as physically and mentally healthy as possible
- Gain the maximum benefit possible from good education opportunities
- Live in a safe environment and be protected from harm
- Experience emotional well-being
- Feel loved and valued, supported by affectionate relationships
- Become competent at looking after themselves
- Have a positive self-image, a secure identity including cultural and racial identity
- Develop good interpersonal skills and confidence in social situations.

At Wilberforce Primary School we will teach children to understand and manage risk, through our:

- PSHE lessons
- Other lessons, such as Drama
- Assemblies and Special Days
- E-Safety Programme
- Anti-Bullying Programme.

Confidentiality

As the pupils of Wilberforce Primary School we want you to know that:

- **We will always take what you tell us seriously.**
- **We cannot agree to keep anything that you tell us secret, but we will only share information with the people that we need to, in order to ensure that you and others are kept safe from harm.**

Any pupil concerned about their safety can talk to one of the school's Safeguarding Team, or a member of staff who you feel able to talk to.

3.3 Working in Partnership with Parents/Carers/Guardians

At Wilberforce Primary School:

- We are committed to working with parents/carers/guardians positively, openly and honestly.
- We ensure that parents/carers/guardians are treated with respect, dignity and courtesy.
- We respect parents'/carers'/guardians' rights to privacy and confidentiality and will not share sensitive information unless we have permission; or it is necessary to do so in order to protect a child.
- We share a purpose with parents/carers/guardians to educate and keep children safe from harm and to have their welfare promoted.
- Any referral made to social care (Westminster Tri-Borough or Brent Social care teams, TBAP, Working with Men,) is shared with parents beforehand, unless it is inappropriate to do so; and as a school we will ensure regular contact with parents/carers/guardians of all pupils.
- All staff have the skills knowledge and understanding to keep safe children who are looked after by the Local Authority.
- All staff have the skills and understanding to keep children safe who have Special Education Needs or disabilities.

3.4 Confidentiality and Sharing Information

Wilberforce Primary School:

- Recognises and complies with its duties under current Data Protection legislation.
- Ensures the confidentiality of its pupils and their families.
- Ensures confidentiality so that evidence is not compromised.
- Will make every effort to maintain confidentiality and guard against unwanted publicity.
- Only shares information on a 'Need to Know' basis, and this decision is taken by the Designated Safeguarding Lead, or Deputy Designated Safeguarding Lead.
- Keeps all Child Protection information securely.
- Ensures that all information is processed for limited purpose, is adequate, relevant and not excessive, is accurate, retained and processed in accordance with data subject's rights.
- All child protection information is held on the CPOMS electronic management system, paper

documents are stored securely in the pastoral and SENCO office, which is pass key protected in accordance with England (Pupil Information) (England) Regulations 2005.

- Every effort is made to prevent unauthorised access and sensitive information is not stored on laptop computers, which, by the nature of their portability, could be lost or stolen. All laptops should have encrypted hard drives to prevent access to information should the device be lost or stolen.
- If it is necessary to store Child Protection information on portable media, such as a CD or flash drive, these items must be encrypted and kept in locked storage.
- Child Protection information is stored separately from the pupil's school file and the school file is 'tagged' to indicate that separate information is held.
- Child Protection Records are normally exempt from the disclosure provisions of the Data Protection Act, which means that pupils and parents do not have an automatic right to see them. If a member of staff receives a request from a pupil or parent to see Child Protection Records, the request will be referred to Alison Hussain at Central Office (Alison.Hussain@unitedlearning.org.uk).

The Data Protection Act does not prevent school staff from sharing information with relevant agencies where that information may help to protect a child and is in the child's best interests.

Wilberforce Primary School recognises that:

- It is essential to establish positive and effective working relationships with outside agencies.
- There is a joint responsibility on all these agencies to share information to ensure that all children are safeguarded.
- We share information:
 - To ensure the fullest possible picture of the child's circumstances
 - To enable practitioners to assess the needs of the child properly
 - To co-ordinate and improve service provision to the child and family
 - To protect other adults and children.
- Examples of when it is necessary to share information include if:
 - A child seems hungry, or inappropriately dressed, or has hygiene concerns
 - A child's behaviour is concerning: aggressive, or withdrawn, or unhappy, or overly familiar, or sexually inappropriate
 - There is a suspicion or evidence that the child has an injury; e.g. the child has awkward or protective movement; has bruising, marks, cuts or burns
 - Things said by, or about the child that are concerning.
- Staff are aware that low level issues should be shared with support and/or senior teaching staff as soon as possible.
- In line with [Keeping Children Safe in Education, September 2016](#) (Pages 7-8 Paragraphs 21-27) and the [Prevent duty, July 2015](#).

This should be done as soon as possible and before the end of the day. The Designated Safeguarding Lead (or equivalent) will decide who else needs to have this information.
 - However, if at any point, there is a risk of immediate serious harm to a child a referral should be

made to social care immediately, and anybody can make this referral.

- If staff have concerns about another staff member they will be referred to the Headteacher.
 - Where the concerns are about the Head Teacher they will be referred to the Chair of Governors. ([See also Keeping Children Safe in Education, September 2016](#), Part 4)
- In line with [Working Together to Safeguard Children, March 2015](#) (Pages 16-17 & Page 71) we follow inter-agency information sharing protocols. We:
 - Discuss with the child and their family the involvement of other agencies and how and who you will share information with and gain their consent where appropriate. The only time we would not share information with the family would be if it could potentially put the child at further risk of harm to do so.
 - Share all appropriate information as early as possible with practitioners and organisations who are currently working with, or due to work with a child.
 - Discuss and share any assessments or reports with the child and their family and include their views even if they differ from our own.
 - Seek permission before expressing the views of another agency or practitioner to a child, parent/carer/guardian.
 - Notify Children's Services if a child subject to a Child Protection Plan has an unexplained absence from school.
 - Having confirmed that a child is changing school, the Designated Safeguarding Lead will confirm their safe arrival; and will transfer their child protection file as soon as possible, separately from the main pupil file and via secure transit, and confirm safe receipt thereof.

4.2 Child Protection

Every member of staff across school has an obligation to report any concerns which they may have. If a member of staff has a concern it must be recorded centrally using the **CPOMS** system. This will alert relevant people immediately.

4.2.1 Wilberforce Primary School is committed to safeguarding and promoting the welfare of our children.

- Where a child is suffering significant harm, or is likely to do so; or where a child is at risk of radicalisation or being drawn into terrorism/extremism, we will ensure that action is taken to protect that child.
- Action will also be taken to promote the welfare of a child in need of additional support even if they are not suffering harm or are not at immediate risk.
- We will respect all children and will work to promote their physical, material and psychological well-being.
- We recognise that some children may be especially vulnerable to abuse and recognise that children who are abused or neglected may find it difficult to develop a sense of self-worth and to view the world in a positive way; and know that some of their behaviours may be challenging.
- We recognise that some children who have experienced abuse may harm others.
- We will always take a considered and sensitive approach in order that we can support all of our children.
- Any deficiencies or weaknesses in our child protection arrangements will be remedied without delay.

4.2.2 What To Do

Any Child Protection concerns should be reported immediately to the Designated Safeguarding Lead (or Deputy in her absence.) He/she will decide whether to make a referral to Children's Social Care.

- If you suspect or become aware of an allegation of child abuse made against another pupil
- If you suspect or become aware of an allegation of child abuse made against a colleague, volunteer or Designated Safeguarding Lead
- If you suspect or become aware of an allegation of child abuse made against the Principal /Head Teacher
- When reporting cases to the Disclosure and Barring Service (DBS) and NCTL. (To save on duplication, schools can signpost to United Learning Safeguarding Children - HR Procedural Guidance; and United Learning Safer Recruitment Policy and Procedure).
- When notifying parents
- When referring pupils to Children's Services or making a multi-agency referral
- When reporting directly to Child Protection Agencies; confirming what the Designated Safeguarding

Lead will do. (See Flowchart: Action when a child has suffered or is likely to suffer harm ([Keeping Children Safe in Education](#), September 2016 - Page 10).

- When reporting a case of a child at risk of radicalisation or being drawn into terrorism/extremism.

Important to note:

- If a pupil makes a disclosure about abuse staff must not ask leading questions or agree to maintain confidentiality.
- The school will not undertake their own investigations of allegations without prior consultation with the LADO.
- Allegations against staff, volunteers, visitors or the designated person with responsibility for safeguarding must be reported to the Head or, in the Head's absence, the Head of Independent Schools and the chair of the LGB.
- Allegations against the Head must be reported directly to the Head of Independent Schools, the chair of the LGB, and the LADO by the person receiving the allegation without informing the Head.
- Allegations against another student must be reported to the designated person with responsibility for safeguarding (who will inform the Head and the LSCB in accordance with local procedures)
- In cases of serious harm the police will be informed from the outset.
- If an allegation is made against anyone working with children in a school all unnecessary delays will be eradicated
- Schools will include details of the use of curriculum to reduce the risk of radicalisation.
- Schools will include details of visiting speakers log kept by the school.
- Where a teacher has been dismissed (or would have been dismissed had he/she not resigned) and a prohibition order may be appropriate, the school will make a referral to the National College for Teaching and Leadership (NCTL). The reasons such an order would be considered are 'unacceptable professional conduct', 'conduct that may bring the profession into disrepute' or 'a conviction, at any time, for a relevant offence.
- Where a referral has been made to the DBS, the school will not make a referral to the NCTL, as information is shared between the two bodies. Where a dismissal does not reach the threshold for DBS referral, separate consideration by the school will be given to an NCTL referral.
- The school will report, as appropriate, to the Disclosure and Barring Service within one month of leaving the school any person (whether employed, contracted, a volunteer or student) whose services are no longer used because he or she is considered unsuitable to work with children.
- Failure to make such a report constitutes an offence, 'compromise agreements' cannot apply in this connection. Historical allegations will be referred to the police if they arise.
- Appropriate whistleblowing procedures, which are suitably reflected in staff training and staff behaviour policies, are in place for concerns about poor or unsafe practice and potential failures in the schools and safeguarding regime to be raised with the management team.

4.2.3 Working in the best interests of the child

Wilberforce Primary School meets the needs of Looked after children and multi-agency work with the Local head of Virtual school through the appointment of a LAC lead teacher. The LAC lead is Claire Macfie. She ensures that the PEP is updated regularly and acts as an advocate, on behalf of any/all LAC child(ren) at meetings.

At Wilberforce the SENCO is Felicity Chame. She is the lead officer who acts to ensure that the needs of children identified with SEND are met. She does this through regular meetings with teachers and the leading of structured conversations between families and the school.

The school curriculum is organised to mitigate the risk of peer to peer abuse in its different forms. In addition the school has developed peer mediators and playground friends.

The vulnerable children meeting, which is held weekly, considers the needs of all children who may be at risk of abuse by virtue of additional barriers eg SEND or communication (EAL) difficulties. The team recognises that changes in behaviour, mood or injury to a child in the setting may indicate that such abuse is a possibility, has been unreported and needs further investigation.

4.2.4 Wilberforce Primary School will be vigilant in respect of types of abuse and neglect; and the specific safeguarding issues highlighted in [Keeping Children Safe in Education, September 2016](#) (Pages 11-13)

The Executive Headteacher and Headteacher as the Designated Safeguarding Lead will ensure that staff and governors have at least annual safeguarding training and access to up to date relevant information in relation to the following:

- As it is a constantly developing field, we are committed to providing a comprehensive programme of advice, support, teaching and training to parents/carers/guardians, children and staff.

Wilberforce Primary School recognises that:

- As we increasingly work online, the safe use of information and communication technologies bring

significant challenges.

- We have a responsibility to understand online safety issues and plan accordingly to ensure appropriate, effective and safer use of electronic communications and associated devices.

It is therefore essential that we:

- Teach children about safeguarding
- Safeguard children from potentially harmful and inappropriate online material.
- Ensure that appropriate filters and appropriate monitoring systems are in place; so that children are not able to access harmful or inappropriate material via the school's IT system.
- Ensure that systems are in place that will identify children accessing, or trying to access harmful and inappropriate content online.
- Are careful that "over blocking" does not lead to unreasonable restrictions as to what children can be taught with regards to online teaching and safeguarding.

To ensure that our online safety arrangements are robust, Wilberforce Primary School has personalised and localised the United Learning Online Safety (e-Safety) Policy Template, June 2016. Which can be found in full by following this link.

The Local Governing Body and United Learning adhere to their responsibilities as set out in [Keeping Children Safe in Education, September 2016](#), Part 2: The Management of Safeguarding; and the [Prevent duty, July 2015](#).

Statutory responsibility does not pass to the Local Governing Body or any of its members; however it performs a vital role in monitoring compliance with the law, and the school's policies and procedures and challenging the school to ensure best practice is followed.

The Child Protection (Safeguarding) policy is reviewed annually by the School's Local Governing Body to ensure that it reflects local procedures. The policy is also reviewed and approved annually at a United Learning Group Board.

The Local Governing Body will:

- Confirm annually in writing to United Learning and the Local Safeguarding Children Board that they have reviewed the school level policy against practice and that this has been discussed at a full Local Governing Body meeting.

At Wilberforce Primary School the safeguarding team operates a daily rota to ensure that there is always an appropriately trained member of senior staff available. The DSL for the day is displayed in the front entrance and in the staff room and all staff must ensure that they know who is on duty.

The Headteacher holds regular supervision meetings with all DSL and safeguarding team members to ensure that the duties outlined in this policy are carried out safely, timely and effectively.

In addition, routine 'vulnerable children' meetings (VCM) are held during which all relevant practitioners meet to share information and ensure that the safety and wellbeing of each child is considered carefully in all planning.

The DSL ensure that following each VCM, class teachers and other relevant staff are updated as necessary in the interests of maintaining the safety and welfare of children.

The CPOMS management system is used to update and record all relevant information of a safeguarding and or child protection nature for every child on roll.

4.13 Restraint

DfE Use of Reasonable Force (July 2013, reviewed July 2015)

All members of school staff have a legal power to use reasonable force. This power applies to any member of staff at the school. It can also apply to people whom the Headteacher has temporarily put in charge of pupils such as unpaid volunteers or parents accompanying students on a school organised visit. Reasonable force can be used to prevent pupils from hurting themselves or others, from damaging property, or from causing disorder. In a school, force is used for two main purposes – to control pupils or to restrain them. The decision on whether or not to physically intervene is down to the professional judgement of the staff member concerned and should always depend on the individual circumstances.
