WILBERFORCE PRIMARY

CHARGING AND REMISSION POLICY

Wilberforce Primary provides a free education for all of our pupils.

The current charge for casual hire of the infant hall to community groups is £50 an hour Monday – Saturday and £60 an hour on a Sunday.

Hirers are advised that they are responsible for any damage and a deposit against damage is taken. They are then requested to leave the place clean and tidy. Hirers are required to take out public liability insurance if they do not already have it. There are no catering facilities but cold food may be brought in.

Hirers are advised there is a no smoking policy in the school. The school does not accept lettings where there would be alcohol consumption or where there may be community tension. Hirers are required to sign a lettings agreement indicating their agreement to the terms. Organisations are required to complete a lettings agreement on an annual basis.

No charge is made to community groups for use of class rooms/halls etc. during school opening hours, e.g. Adult Education classes.

Charges for School Activities

The Education Reform Act 1988 clarifies the activities for which charges can be made or voluntary contributions sought.

The Act gives LAs and schools the discretion to charge for optional activities provided wholly or mainly out of school hours and the right to invite voluntary contributions for the benefit of the school, or in support of any activity organised by the school whether during or outside school hours.

The school reserves the right to make a charge in the following circumstances for activities organised by the school:

School Journeys: The board and lodging element of the residential experience and outdoor pursuit courses;

Activities outside school hours: The full cost for each pupil of journeys, trips and overnight stays in the United Kingdom and abroad which take place at weekends and during holidays, which are deemed to be optional extras.

Uniform: The cost of purchasing uniform will be the parents' responsibility.

School Equipment: Should a child be found deliberately damaging school property (laptops, books etc.), Governors will be asking parents for the replacement cost or a contribution towards a replacement, whichever is appropriate, at the discretion of the Headteacher.

Voluntary Contributions

Wilberforce Primary is permitted to ask parents for voluntary contributions. On these occasions, it is made explicit that the contributions are entirely voluntary and if insufficient funds are raised the activity will be cancelled and all monies returned. All pupils are treated equally in this regard, irrespective of whether their parent/carer has made a voluntary contribution or otherwise. Parents are under no obligation to make a voluntary contribution, and if a parent is unable or unwilling to pay, their child is still given an equal opportunity to participate.

Activities which take place mainly during the school day and which involve a cost (e.g. a theatre visit to the school or a day visit to a museum) will only take place if voluntary contributions from parents/carers are sufficient to cover the cost.

In cases where charges are to be levied parents will be advised in advance and monies collected prior to the activity.

Remission

It is the policy of the Governing Body:

- To remit charges for school activities to parents in receipt of income support and working family tax credit who have been unable to give a donation
- To provide some sort of payment plan
- To look at individual cases where parents have been unable to give a donation
- To agree how to fund shortfalls for activities
- To encourage fundraising activities throughout the year to part fund visits

SCHOOL LETTINGS POLICY

A letting situation occurs when a school sports area, hall, classroom or any other area is hired out to a club or an individual for a sum of money.

There are VAT implications for lettings and these are set out in the document “Tax Guidelines” which can be found on the UL Hub.

Note that the VAT registration number is 834 8515 12. This must be shown on all sales invoices that are raised.

The following must be noted:

- When a booking is received from a club, school, individual or other source the appointments should be recorded in a diary or similar media.
- A lettings agreement must then be sent to the club, school or individual, completed by the club, school, individual or other source and authorised by the Headteacher (or his/her authorised delegate) before any money changes hands and before the letting has taken place.
- For tax purposes, the Lettings agreement must be retained for 6 years, after which it can be destroyed.
- As soon as the Lettings agreement is finalised, invoices must be raised on PSF. Any long term agreements must be invoiced at least monthly in advance of the next series of lets.
- Invoices must be paid by the lessee before, or less than a week after the letting occurs.
- Ensure that payments for lettings are monitored for receipt as per agreed payment terms.
- Payment as far as possible should be by bank transfer. Payment for lettings by cash should be avoided as far as possible but where unavoidable can be accepted up to a maximum value of £150. If it is necessary for payments to be made in excess of this amount, the customer should be provided with a slip showing the bank account details and requested to deposit the cash directly into the bank. Any cash payments above £150 which do not come through the bank, must be notified to the Financial Controller.
