

Maths Curriculum

Langford and Wilberforce

2022-23

Maths Curriculum

- Our structured coherent curriculum develops pupils into mathematical thinkers.
- Aligned to our principles of Effective Learning.
- Aligned to White Rose Maths Curriculum and contextualised for each class.
- White Rose Maths aligns with the National Curriculum and EYFS and covers all statutory requirements. It is an ambitious, connected curriculum accessible to all.
- Our curriculum clearly sequences declarative knowledge that pupils should know by the end of each of year.
- Pupils will be fluent in the fundamentals of mathematics, to be able to reason and to solve problems.

Rationale

- WRM curriculum and Maths Principles are used to support teachers to become strong teachers of mathematics.
- Curriculum has clear sequences of learning in 'blocks' which break down into smaller 'steps'.
